

# Are you in European security research? Add your bio.

NetSec is the open, **searchable directory** of scholars working in and alongside European security. It **bridges the gap between academia and policy** across 30+ countries. Add your profile so colleagues, students and partners can find you.

SCAN WITH YOUR PHONE CAMERA

## Submit your profile in about 3 minutes.

A short form that takes about three minutes. You choose what is shown and can edit or remove it any time. No account needed.

 **≈ 3 MIN TO COMPLETE**

ADD YOUR BIO

### Be findable

Searchable by name, topic, working group, role or country, so the right people can reach you.

### Connect across borders

Join one pan-European network spanning 30+ countries, four working groups and every COST member state.

### Mentor & be mentored

Signal you're open to mentoring or collaboration and help foster the next generation of scholars.
